Kingmaker Chase Day W
Warwick Racecourse

One of the most influential gentlemen in English history was the Kingmaker, Richard Neville, Earl of Warwick. He was one of the most-wealthy and powerful men of his age, so it’s fitting that we have one of our season’s best races of year; The Kingmaker Chase, carrying his name. It is also fitting that this day is celebrated as Gentlemen’s Day, one where we ask the County’s best dressed men to take to the stage to show us what is fine and dandy. A great fun day out for everyone, with brilliant racing that provides crucial stepping stones to the Cheltenham Festival and Aintree.

A right royal race day!
